Praise the Lord for another successful Kairos weekend completed in April, 2026 led by Josh McCallin and his team. 30 guest participated and had a 100% attendance record for all 3 ½ days. One profession of faith was made and many men recomitted their lives to Christ. God was boldly worshiped throughout the weekend. This was the second weekend event since 2019. Thanks to all who participated and supported the team in prayer.

PCF Ministry Depends on Volunteers like You

Know a friend, associate, or church member who may be thinking about serving in a ministry? Invite them to the next Kairos event and introduce them to see what God is doing behind the wall. Kairos could not be an effective ministry without our lay volunteer workers. No one can do it alone. We are all here because God placed this calling on our hearts. Kairos brings the good news of the Gospel and demonstrates the love of Christ to our brothers behind the wall. Pray that the Lord will continue to deliver workers to this field and deliver the good news of the Gospel to men who desperately need to hear it. Reach out to Nick Hertz, our Recruiting Ambassador, if you would like to include a friend or associate to the next Kairos event, and he will help make your guest feel welcomed.
